The Committee  
would like to thank everyone  
who came to our Big Meeting  
on 13th Feb

We Spoke

It was great to  
See them all there

I saw friends  
I haven't seen for  
a very long time

It was very good  
It was people speaking up  
for themselves

The play was good

I enjoyed listening  
To people, it was good

What did YOU  
like best?

# The Forum want to find out what is happening in Dorset

Have things changed in your area since the Valuing People White Paper was published?

The committee have decided to set up a Helping Out Group to visit people and find out what they think about things.

If you would like us to visit you, or have ideas about things the Forum should find out about, please phone or write to us.

## Do you live in North Dorset?

Next month we hope to start a new Speaking Up group in or near Shaftesbury. Meetings will be once a month on a Thursday evening. If you live in North Dorset and would like to know more - call Helen at the Forum office.

We still need more members - if you want a joining form call the office or talk to your local committee member.
